**The Health Science programs all must report to their accreditation entities anytime there is administrative , curricular or address changes to include but not be limited to email, phone or fax numbers via some electronic mode of communication. Some accreditation entities will require special forms to be filled out verifying any kind of the above mentioned changes that may occur from time to time. It is the responsibility of the Program Director to keep their accrediting entity informed and up to date on the programmatic changes. The Dean of Health Sciences and the Vice President of Instruction will also be informed.**
