<b>Totals</b>				<b>12</b>	<b>0</b>	<b>0</b>	<b>192</b>	<b>12</b>

These courses are designed to give students an introduction to the Business field, with Accounting, Management and Marketing courses, along with one additional class from the provided list. This elective course allows the award to be tailored to fit the individual needs of the student. The award may also be beneficial to students in other Applied Sciences Programs whose professions might require a general understanding of the Business Management field to perform their overall job duties.
