*Degree: Associate of Science in Accounting (AS)*

Mathematics, Business, Engineering & Technology

**Program Description:** The Associate of Science degree in Accounting is designed to prepare students for transfer to a four-year university baccalaureate program. In addition to business courses, the curriculum includes math, science, social sciences, and humanities. The order, given below, in which the courses are listed, is a suggestion. The Accounting degree is based on the 42-hour Core Curriculum, and represents the first two years of a four-year degree which may vary from university to university. Students transferring should always consult with an advisor or articulation officer from their receiving institution.

*Use this Program MAP as an advising guide to choose courses with your advisor and track progress toward milestones and completion of degree.*

**SEMESTER-BY-SEMESTER PROGRAM PLAN FOR FULL-TIME STUDENTS**  
*Plans can be modified to fit the needs of part-time students by adding more semesters*

Semester 1	CR	Advising Notes

	15	Program Semester Hours
		<b>ACHIEVEMENT:</b> Completion of Associate of Science degree
<b>Total Program Hours</b>	<b>60</b>	

## Transfer Information

This Accounting degree provides a pathway to transfer to a four-year college or university where students can earn a baccalaureate degree. Students are strongly encouraged to select a transfer destination by the time they have completed 30 semester credit hours. Students should consult with their chosen transfer institution regarding recommended courses that will transfer and be applied to their baccalaureate degree program.

For more information on program transfer information to four-year institutions visit Blinn's transfer information site: <http://www.blinn.edu/degrees-and-certificates/earn-a-degree-and-transfer/prepare-for-transfer/information-sheets>
