Degree: Associate of Arts in Sociology (AA)

Social Sciences

Program Description: The Associate of Science degree in Sociology is intended to match, within the constraints of the Core Curriculum, the course of study for the first two years of a typical sociology program at a four-year college or university. It also provides the flexibility for students desiring only an associate degree to specialize the program to individual interests. Students who are interested in

*Use this **Program MAP** as an advising guide to choose courses with your advisor and track progress toward milestones and completion of degree program. The map provides students a suggested course sequence to timely program completion.*

Restricted Elective	3	Restricted electives must be chosen from among the following courses: ANTH 2351, GEOG 1302, ECON 2301, ECON 2302, CRIJ 1301, PSYC 2306, PSYC 2316
	15	Program Semester Hours
		ACHIEVEMENT: Completion of Associate of Arts degree
Total Program Hours	60	

Transfer Information

This Sociology degree provides a pathway to transfer to a four-year college or university where students can earn a baccalaureate degree. Students are strongly encouraged to select a transfer destination by the time they have completed 30 semester credit hours. Students should consult with their chosen transfer institution regarding recommended courses that will transfer and be applied to their baccalaureate degree program.

For more information on program transfer information to four-year institutions visit Blinn's transfer information site: <http://www.blinn.edu/degrees-and-certificates/earn-a-degree-and-transfer/prepare-for-transfer/information-sheets>
