State Representative Ms. Lois Kolkhorst presented a resolution from the Texas House of Representatives in honor of Blinn College Head Football Coach Brad Franchione commending him, his assistant coaches and his staff and the Buccaneer Football team on their successes in the past year.

Ms. Kolkhorst commented on her disappointment in the Governor’s veto of one-half of the state community colleges’ employee health insurance benefits which cost Blinn College over $3,000,000. She indicated that key members of the House and Senate are trying to find a way to restore the funds.
ITEM 3. REVIEW OF FINANCIAL STATEMENT AND LIST OF CHECKS FOR THE PERIOD ENDING JUNE 30, 2007

(A) PAINTING OF INTERIOR OF FOUR RESIDENCE HALLS
(B) CATASTROPHIC MEDICAL INSURANCE OF STUDENT ATHLETES

Dr. Holt reviewed the bid tabulations and gave the recommendations of the administration for painting of residence halls and for catastrophic medical insurance for student athletes. He recommended that the low bidder, Maddox Painting of Hearne, Texas, be awarded the bid for painting the interior of four residence halls on the Brenham campus at a total cost of $30,097.17. On a motion by Mr. Toubin, seconded by Mr. Lange, the Board voted to approve the bid of Maddox Painting. He recommended that Bene-Marc, Inc., of Fort Worth, be awarded the bid for catastrophic injury insurance for athletes at a total cost of $17,917 for a one-year term. A copy of the bid tabulation is attached and made a part of these Minutes.

ITEM 7. REVIEW AND ACTION TO APPROVE A DEVELOPMENT AGREEMENT WITH THE CITY OF BRYAN, TEXAS, FOR THE CONSTRUCTION OF A REGIONAL STORMWATER DETENTION POND ON THE BRYAN CAMPUS OF BLINN COLLEGE

Dr. Voelter reviewed the history of the development of the detention ponds on the Bryan campus, followed by additional comments by Ms. Linda Huff, Director of Public Works for the City of Bryan, and Mr. Joel Mitchell, of Mitchell and Morgan LLP, consulting engineers for the City of Bryan. Ms. Huff commented on the reasons an off line detention pond was needed. She reviewed the benefits for Blinn College including giving the fill dirt (density controlled in layers) to the college and the availability of the completed pond area for use as an athletic field during dry periods. She indicated the oil well on the Blinn College property has been plugged and cannot be reopened due to changes in the zoning regulations for the property. Under the agreement, the college would provide mowing of the pond and the city would provide any needed structural repairs.
Ms. Huff also answered questions from the Board on design cost which she indicated was a city expense. She stated that the pond would relieve Blinn College of any future need to build additional detention ponds when it engages in additional construction on the Bryan campus. She also indicated the city would place the excess dirt wherever the college wants it on its property. Ms. Huff answered questions from Mr. Toubin on the justification for the college being responsible for the maintenance of the old ponds.

On a motion by Dr. Boehm, seconded by Mr. Lange, the Board voted to approve the development agreement subject to finalization of wording acceptable to the administration and Board members Mr. Jones and Mr. Toubin. A copy of the draft agreement is attached and made a part of these Minutes.

Dr. Holt reviewed the state’s requirement outlined in Board Policy CAK Legal and Local for the Board to review and approve the college’s investment policies and strategies on not less than an annual basis. He noted that copies of the policies had been sent to the Board for review in advance of the meeting.

On a motion by Mr. Lange, seconded by Mr. Lacina, the Board voted to reaffirm the current investment policies and strategies as outlined in Board Policy CAK Legal and Local and to adopt a resolution to that effect (a copy of the resolution is attached and made a part of these Minutes).

A question was raised as to the reason bonds issued, assumed, or guaranteed by the State of Israel were included in the list of approved investments in state law as outlined in policy CAK Legal when the bonds of other countries were not so designated. The administration was asked to review this matter.

Dr. Holt suggested that Board members Mr. Jones and Mr. Toubin, the college’s two designated investment officers, Dr. Voelter and Dr. Holt, and Business Office staff members Mr. Tom Brazzel and Mr. Joe Picone serve on the investment committee.

Mr. Westbrook then appointed Board members Mr. Jones and Mr. Toubin, and college staff members Dr. Voelter, Dr. Holt, Mr. Brazzel and Mr. Picone to serve on the committee. Dr. Boehm asked that he also serve on the committee.

Dr. Holt indicated that such a fund could be funded at the $500,000 level from the college’s end of the year fund balances.

Mr. Toubin stated he did not want the Hallstein funds to be used for non-scholarship purposes. He also noted that he had asked that consideration of the use of scholarship funds to target academically superior students be placed on the agenda and requested again that it be included on the next agenda.
