ITEM 10. REVIEW AND ACTION TO AUTHORIZE THE ADMINISTRATION TO SEEK BIDS FOR:

(A) NEW CHILLER UNIT FOR THE BRYAN CAMPUS
(B) REPLACEMENT OF DIGITAL IMAGING MACHINE FOR THE DENTAL HYGIENE PROGRAM

(A) Dr. Holt reviewed the administration’s request to seek bids to replace one of the two 400 ton chillers on the Bryan campus. He reviewed the problems with the current chillers which apparently developed vibration issues soon after installation approximately twelve years ago. He indicated the units were purchased from and initially maintained by York. Mr. Kenjura asked why York did not properly repair and maintain the equipment and whether or not there was any recourse against York. Dr. Holt indicated “probably not.” There were several questions from the Board about potential warranties and maintenance. On a motion by Dr. Boehm, seconded by Mr. Toubin, the Board voted to authorize the administration to seek bids for replacement of one of the two chillers.

(B) Dr. Holt reported that the college's film imagining machine used in the dental hygiene program had failed and cannot be repaired due to the unavailability of parts. ITEM 12. REVIEW AND ACTION TO AMEND THE 2007-08 SCHOOL YEAR BUDGET TO REFLECT CHANGES IN TAX REVENUES AND OF INCREASED STATE APPROPRIATIONS AS A RESULT OF THE RESTORATION OF STATE FUNDS PREVIOUSLY VETOED BY THE GOVERNOR

Dr. Holt reviewed the need to make adjustments to the budget since previously vetoed state funds are now being released to the college by the state. He recommended that $1,000,000 be allocated for contingencies, $500,000 for repairs and renovations and $71,000 in additional local tax monies to go into the repairs and renovations or contingencies account. Dr. Boehm offered a motion to authorize Dr. Holt to amend the budget and present it to the Board. The motion was seconded by Mr. Kenjura.

Mr. Jones then offered a motion, seconded by Mr. Lacina to amend Dr. Boehm's motion to clarify that $1,000,000 would be placed in contingencies and $500,000 in repairs and renovations accounts as proposed by Dr. Holt. The amendment passed. Following further discussion, Mr. Jones agreed to withdraw his motion and offered a new motion to accept Dr. Holt's recommendation to place $1,000,000 in the contingencies, $500,000 in the repairs and renovations account, and to place the new $71,000 in tax
revenues in the contingencies account. His motion was seconded by Dr. Boehm and the Board voted approval.

Dr. Holt stated that he wanted to clarify for the Board and the general public that the college's 2007-08 school year budget had been reduced by $1,500,000 to offset the loss of state funds vetoed by the Governor but that the college had never eliminated or reduced employee health insurance benefits due to the veto—other items in the budget, such as travel, had been reduced. He indicated that the action of the Board to amend the budget at this meeting was for the purpose of restoring the previously reduced funds.

Mr. Barkman reported that the City of Brenham officials had informed the administration that the City had taken action in 2004 to abandon those portions of West 2nd, West 3rd, Prairie Lea, and High Streets located within the boundaries of the Blinn College campus and that the City has no objection to the renaming of that portion of West 2nd Street running in front of the Student Center as long as the new name does not create any confusion for the county emergency services. On a motion by Mr. Kenjura, seconded by Dr. Boehm, the Board voted to rename that portion of West 2nd Street between Blinn Boulevard and High Street to "Walter Schwartz Way" in honor of former Blinn College President and Chancellor Walter C. On a motion by Dr. Boehm, seconded by Mr. Jones, the Board voted to approve the policy as presented. A copy of the revised policy is attached and made a part of these Minutes.

He also reported that only one bid in the amount of $169,000 was received for improvements to the HVAC system in the mainframe computer area of the Academic Building. The bid was much higher than expected. Seven companies attended the pre-bid conference, but only two companies actually submitted qualified bids. Mr. Spencer Lofland stated the original bid estimate was $131,000. A copy of the bid tabulation is attached and made a part of these Minutes. Dr. Holt indicated the administration will seek new bids for both projects.

Dr. Voelter reported on a proposed gift from the Ex-Students Association of $35,000 to purchase an electronic message sign for the Brenham campus (sample drawings of the proposed sign are attached and made a part of these Minutes).

Dr. Dennis Crowson gave a PowerPoint presentation of the number of student drops during the current semester, the college’s class attendance policy and SB 1231 bill – “the six drop law.” A copy of his presentation is attached and made a part of these Minutes. He answered several questions from the Board.

Dr. Harris reviewed the campus crime report for the Brenham and Bryan campuses for the years 2004 through 2006 (a copy of his report is attached and made a part of these Minutes).
