The meeting was called to order by Mr. Kenjura. The pledges and prayer were led by Dr. Voelter.

ITEM 2. PUBLIC COMMENT

Mr. Pat Elliott commented on his recommendation that the college should increase tuition to a level that would allow Washington County taxes to be eliminated. He also suggested reducing the administration to faculty ratio and asked for an explanation of the current financial relationship between Blinn College and American Campus Communities. Mr. Kenjura asked him to put his questions in writing and they will be answered.

Mr. Charles Thielemann expressed concern that no one from Blinn College had contacted the Mayor of Sealy in response to his offer to help find funding assistance to support the Sealy campus. He also commented on the opportunity for the college to offer welding and other workforce training programs in the Sealy area.

Dr. Voelter responded that he had in fact met with two Sealy officials that week to explore possible options for financial support from the Sealy area to support the college’s campus there.
ITEM 3. REVIEW OF FINANCIAL STATEMENT AND LIST OF CHECKS FOR THE PERIOD ENDING MARCH 31, 2007

Dr. Holt reviewed the financial statement and list of checks for the period ending March 31, 2007 (copies of the list of checks and the financial statement are attached and made a part of these Minutes). He introduced Mr. Tom Brazzel, accountant for the college who also oversees the college's investments on a daily basis. Mr. Brazzel commented that the investments the college makes in public fund investment pools appear to be safe. Mr. Toubin stated that he was concerned that the pools may be taking more risks in order to keep their returns at an attractive level.

Dr. Holt answered questions from Mr. Jones on summer income projections and from Mr. Toubin on the income of some of the scholarship funds which do not appear to be growing.

ITEM 4. REVIEW AND ACTION TO APPROVE MINUTES FOR THE MARCH 20 AND 26, 2007, MEETINGS

On a motion by Dr. Boehm, seconded by Mr. Lange, the Board voted to approve the Minutes of the March 20 and 26, 2007, meetings.

ITEM 5. REVIEW AND ACTION TO AWARD BID FOR SALE OF HOUSE TO BE MOVED FROM COLLEGE PROPERTY AT 604 GREEN STREET IN BRENNHAM

Dr. Holt reviewed the one bid received in the amount of $2,503.00 from Fred and Kathy Kugel and recommended the Board approve the sale of the house located at 604 Green Street in Brenham. On a motion by Mr. Lacina, seconded by Mr. Toubin, the Board voted to award the bid as recommended (a copy of the bid is attached and made a part of these Minutes).

ITEM 6. REVIEW AND ACTION TO REVISE BOARD POLICIES:

(A) FBD (LOCAL) ADMISSIONS AND ATTENDANCE: ATTENDANCE

(B) FLD (LOCAL) STUDENT RIGHTS AND RESPONSIBILITIES: STUDENT COMPLAINTS

(A) Dr. Harris reviewed the proposed changes in Board policy FBD (Local) which provides for certain excused absences for high school students and to reflect the change in state law which eliminated mandatory attendance by students enrolled in remedial courses. On a motion by Dr. Boehm, seconded by Mr. Lacina, the Board voted to approve the revisions to the policy as recommended (a copy of the revised policy is attached and made a part of these Minutes).

(B) Dr. LaCour reviewed proposed changes and additions that originated with the Council of Division Chairs. She answered questions from Mr. Jones about the original concern that led to the proposed revisions that a division chair might not know there was a complaint filed against one of the faculty members in his or her division. Dr. Blanche Brick indicated the revised policy was acceptable to the division chairs. On a motion by Dr. Boehm, seconded by Mr. Lange, the Board voted to approve the policy revisions as recommended (a copy of the revised policy is attached and made a part of these Minutes).

ITEM 7. REVIEW AND ACTION TO SET TUITION AND FEES FOR THE 2007-08 SCHOOL YEAR

Dr. Voelter reviewed the current and proposed course specific fees which are based on actual costs. There were eight recommended increases (all in physical education and allied health courses). Dr. Holt noted the physical education increases are due to facility rent increases and allied health course increases
are due to testing increases. On a motion by Mr. Lacina, seconded by Mr. Lange, the Board voted to approve the fee schedule for the 2007-08 school year (a copy is attached and made a part of these Minutes.)

Dr. Voelter reviewed a preliminary presentation on budget requests from college staff (a copy is attached and made a part of these Minutes). He gave some details on specific renovation needs for various buildings and answered questions from the Board on the relationship of those requests to the current year budget. He indicated tuition for the 2007-2008 school year needs to be set at this time because fall registration begins on April 16.

He reviewed a chart of semester credit hours generated from the Summer I, 2006, through the Spring 2007, semesters, noting that state appropriations to the college are based on the semester credit hours earned (a copy of the chart is attached and made a part of these Minutes). Mr. Jones stated the college needs to annually fund a depreciation account in order to replace aging buildings. He also reviewed tables comparing Blinn tuition and fees compared to other Texas community colleges (a copy is attached and made a part of these Minutes). The Board members expressed concern that Blinn charges are high compared to other community colleges in the state. Mr. Lacina asked about the cost of the tuition-free dual credit courses the college provides to Washington County students. Dr. Holt indicated the annual cost to the college was $70,000 for 225 students.

Dr. Pearson commented on the fact that comparing Blinn College tuition charges to those of Texas A&M University was not realistic. She expressed concern that the college not price itself out of the market. Ms. Barbara Moore stated that she believes a $5.00 increase could be accepted by students but $10.00 could price some students out of the college. Mr. Scott Baehren noted there has been a nine percent decrease in enrollment of students from Harris County. In response to a question from Dr. Boehm, Dr. Holt suggested a $5.00 across the Board tuition increase. On a motion by Mr. Lacina, seconded by Mr. Lange, the Board voted to approve the increase as recommended effective with the fall 2007 semester.
