ITEM 1. ADMINISTRATIVE ANNOUNCEMENTS  

There were no administrative announcements.  

ITEM 2. PUBLIC COMMENT  

No comments from the public were received.  

ITEM 3. PRELIMINARY REVIEW OF THE BUDGET FOR THE 2008-09 SCHOOL YEAR INCLUDING REPORTS AND DISCUSSION ON THE FOLLOWING:  

(A) THE PROPOSED BUDGET  
(B) SPECIAL ITEMS REQUESTS  
(C) SALARY SCHEDULES AND PAY SCALES  
(D) REPAIRS AND RENOVATIONS  

Dr. Holt reviewed the proposed budget and explained the affect of the re-established $1.5 million from the Governor’s funding veto (a copy of the proposed budget is attached and made a part of these Minutes). He explained the increase in salary expenses which were a result of minimester salaries, new positions and re-organizations but noted that the budget had not been increased, rather money had been moved around from different departments.  

Dr. Holt also noted that the proposed Assistant Director positions for the Sealy and Schulenburg campuses will be removed from the budget due to projected losses for those campuses, this change would increase the proposed revenues over expenditures ( brief cost analyses for the Sealy and Schulenburg campuses are attached and made a part of these Minutes).  

Some Board members expressed concern that neither the proposed Blinn College Technology Center nor the needed student services software package was included in the proposed budget. Dr. Holt
explained that the Technology Center expense would likely come from additional donations and cash reserves and the software expense could possibly be spread over two fiscal years. He further explained that these two expenses were capital expenses and should not be put in the budget. Additional discussion continued on these issues as well as the college’s academic technology needs.

The meeting was recessed from 6:50 p.m. until 7:36 p.m. for dinner.

Dr. Holt and Dr. LaCour reviewed the proposed new faculty positions and accreditation requirements which caused some of the increases in salary and budget. Mr. Darrell Reimer reviewed various options for faculty and staff salary increases, the college’s salary schedules and wage compression (copies of the DBM salary schedule, faculty salary schedule, projected full time salary increases 2008-09 and April 2008 Consumer Price Index Indicators are attached and made a part of these Minutes). Mr. Reimer also reminded the Board that the Federal minimum wage will increase on July 24, 2008. The Board discussed various options of a salary increase and asked the administration to work on the cost of the different scenarios (also made available to the Board was a list of full time positions currently open at the college which is attached and made a part of these Minutes).
