REPORTS, ANNOUNCEMENTS, AND OTHER NON-ACTION ITEMS:

ITEM 9. REPORTS:

- **BUILDINGS AND GROUNDS**

  Mr. Richard O’Malley reviewed the Buildings and Grounds report and responded to questions from the Board (a copy of the Buildings and Grounds report is also attached and made a part of these Minutes).

  **Buildings and Grounds:**

  **Bryan Campus:**

  - Administration/Classroom Remodel - This project is complete and we are waiting on all of the close-out documents before issuing the final payment.
  - Allied Health HSC Campus - The project is under construction and on schedule. The delivery time of this space to Blinn is set at July 1st. We have started the equipment procurement, furniture procurement, and the A/V design.
  - Building E, Student Center - This is a multi-phase project designed to enhance the student services offered on the Bryan Campus. The first phase has been designed and we are seeking bids on April 5th, award April 19th, and construction will begin in mid May. The timeline for this project is to have the first phase complete before the fall 2011 semester begins.
  - Building H (presently, the Allied Health Building) - In Fall 2011, this space will become available for additional classroom and faculty offices. Dr. Raspiller has appointed a committee to receive proposals from the Bryan Campus Division Chairs that are seeking additional space for their respective programs. The committee has completed the review of proposals and submitted their findings to Dr. Raspiller for review. The overall impact will have very little construction involved. The design of these improvements will be done in-house with our facilities staff. Once the design is complete, we will seek the Board’s authorization to seek bids for the improvements.
  - Central Plant - We are reviewing an engineering proposal to authorize the design of the new chiller. The schedule, at this time, is to seek bids in late April, award in May, and complete construction by late August.

  **Brenham Campus:**

  - Student Housing - We have awarded the contract to Collier Construction, for $9,926,000.00 for the construction of the student housing facility. The project is under construction and scheduled for completion by July 15, 2011. The contractor has started the framing of the building and the drainage infrastructure. The contractor has said that the project is on schedule, but that we are on a tight schedule.
  - Central Plant - There are some piping modifications and electrical improvements that we need to consider at the central plant and this plan will be studied and brought to the Board for future action.
  - Band Hall - The Band Hall project has been awarded to Collier Construction. The project is under construction and on schedule for completion in the fall of 2011.
  - Agriculture Facility - We have awarded a Guaranteed Maximum Price (GMP) of $2,133,000.00 to Collier Construction for the construction of the Ag Shop Building. The Ag Shop Building is substantially complete and the welding classes are being held in the building this spring.
  - The Ag Classroom Building - The project has been awarded to Collier Construction. The project is under construction. The contractor has been pouring concrete for the parking lot
and completing the dirt work. The building slab first pour was March 4th. The metal building should arrive in mid-March and the erection should start soon.

- Star of the Republic Museum - The project has been awarded to Gowan Construction. The project is under construction.
- Campus Wide Fiber Extensions - This project has been awarded to JSL Construction. The project is 100% complete.
- Lawn care - The College received and awarded a new 3-year lawn care bid to Glasco for the maintenance of the lawn and flower beds. Their contract started in January.

ACHIEVING THE DREAM - GATEWAY MATH AND ENGLISH COURSE COMPLETION

Dr. Rosemary Sundet reviewed four Achieving the Dream initiatives, focusing primarily on paired developmental courses and associated data.
