REPORTS, ANNOUNCEMENTS AND OTHER NON-ACTION ITEMS:

ITEM 12. REPORTS:

• BUILDINGS AND GROUNDS

Mr. Richard O'Malley responded to questions from the Board regarding the written Buildings and Grounds report (a copy of the buildings and grounds report is attached and made a part of these Minutes).

Bryan Campus:
  o Allied Health HSC Campus - We have moved into the new building and we are functioning in all five of the Allied Health Divisions located on this campus. There are a few punch list items to be resolved, as well as, a few operational issues to be worked out. From a facilities standpoint, this project should be completed in full by the end of October.
- **Building E, Student Center** - This project has been put on hold for the summer, although we have incorporated some very minor wall adjustments in this space to provide a more user-friendly space for the students.
- **Building H (presently, the Allied Health Building)** - This project is complete.
- **Central Plant - Chiller #2 replacement project** is substantially complete with a few punch list items remaining. The Chiller is fully operational and working.
- **Additional improvements needed at the Central Plant** are the replacement of two additional ice tanks and an improved control system. Once we have determined that funds will be available, these projects will be brought to the Board as action items.
- **Parking Lot Project** - We are presently negotiating a Professional Engineering Agreement with Bleyl & Associates, a local engineering firm, for the Design and Construction Phase Services for a new parking lot. The parking lot will be located north of the existing campus and the lot will be accessible from the campus with a pedestrian bridge. The proposed lot can also be accessed with vehicular traffic from Villa Maria. The project will be divided into phases with an estimated construction cost for the first phase of $500,000.00. The first phase will consist of: a) pedestrian bridge; b) approximately 500 linear feet of street improvements connecting to Villa Maria and c) parking spaces for approximately 100 cars. The project is budgeted within the R&R budget.

**Brenham Campus:**
- **Student Housing** - The project is substantially complete. There are still punch list items and operational training items that need to be completed. The project should be closed by the middle of November.
- **Central Plant** - We are presently negotiating a Professional Engineering Agreement with DBR for the Design and Construction Phase Services for an electrical switchgear replacement project and the replacement and upgrades to pumps and frequency drives at buildings located along the chilled water loop in zone 3 and zone 1. These improvements will enhance the capacity of our existing chillers and will provide a more efficient use of both energy and chilled water.
- **Band Hall** - The project is substantially complete. There are a few punch list and operational issues to resolve and should be completed by the end of October.
- **Band Hall** - There are two projects that were not included in the original design of this expansion that will need to be completed this year: 1) Exterior Signage - we are developing plans in-house for the exterior signage for this building and 2) Sprinkler System - there were no plans in the original design for a sprinkler system. These plans are being prepared and we will be seeking bids from contractors for the installation of a sprinkler system. Both of these improvements will be paid for from budgeted funds in the R&R Budget.
- **Agriculture Shop Facility** - Complete.
- **The Ag Classroom Building** - The project is substantially complete. There are a few punch list and operational issues to resolve and should be completed by the end of November. There are items including the fencing, sprinkler systems and exterior signage that still need to be completed on this project. The funds to pay for these improvements are included in the project budget.

**SACS 5 YEAR REPORT FOLLOW-UP**

Dr. Rosemary Sundet, Dean of Institutional Effectiveness and Accreditation, reviewed the SACS 5 Year Report Follow-Up with the Board. She assured the Board that all areas in which SACS requested additional information or clarification have been addressed in the recently submitted follow-up report. Blinn is up for re-accreditation in 2015. Dr. Sundet responded to questions from the Board.
• CAMPUS HEALTH CLINICS

Ms. Carol Caddell, Brenham Campus Health Clinic Registered Nurse and Ms. Brook Mikles, Bryan Campus Health Clinic Registered Nurse, reviewed the first year statistics for both Campus Health Clinics. 972 clients were seen at the Brenham Health Clinic and 1693 clients were seen at the Bryan Health Clinic during the first year of operation. Ms. Caddell and Ms. Mikles reviewed clinic activities, such as: professional associations, health fairs, flu vaccinations and alcohol and drug education programs. In the future, they would like to expand into prevention outreach and educational seminars. Ms. Caddell and Ms. Mikles responded to questions from the Board.

• BLINN COLLEGE FOUNDATION

Mr. Joe Al Picone, Executive Director, Blinn Foundation, reviewed the Foundation activities since inception for the Board (a copy of the presentation is attached and made a part of these Minutes).
