REPORTS, ANNOUNCEMENTS, AND OTHER NON-ACTION ITEMS:

ITEM 23. REPORTS:

• BUILDINGS AND GROUNDS

Mr. O’Malley reviewed the buildings and grounds report and responded to questions from the Board (a copy of the Buildings and Grounds report is attached and made a part of these Minutes):

• Planning (Bryan Campus):
  o Building E, Student Center - the student activity half of the building was scheduled for a remodel to accommodate student activities; and the food service half of the building was scheduled to be updated and expanded to meet the growth of the campus. Both of these phases have been put on hold until the funding of these improvements can be budgeted.
  o HVAC (Controls and VFD’S) - Funds have been budgeted in this fiscal year to improve the HVAC Controls System on the Bryan Campus. This project is in the very early discussion stage and awaiting information from Schneider Electric (our current vendor) before proceeding to the design and construction phase.
  o Elevator Upgrades - Funds have been budgeted in this fiscal year for elevator upgrades, the project has not started.
  o Landscaping/Irrigation System Upgrades - Funds have been budgeted in this fiscal year to improve the landscaping and turf on the Bryan Campus.
  o Bryan Campus Master Plan – The Administration is negotiating an agreement with Boka Powell for the development of a Master Plan for the Bryan Campus.

• Planning (Brenham Campus):
  o Classroom Utilization Study - The Facilities Staff is in the preliminary stage of developing a classroom utilization report for the Brenham Campus. The results of this study will be available for use in a strategic plan for the campus.
  o Energy Audit - The Facilities Staff is in the preliminary stage of performing an energy audit for the Brenham Campus.
  o Fitness Center - The Facilities Department and the Student Services Department are developing a plan to enhance student amenities on campus. One area identified by student
groups as a need is a fitness center. At present, all student fitness center type activities take place in the Boehm Building and the typical student has to compete with the sports teams for use of equipment. Several ideas are being considered ranging from converting the James Atkinson Hall into a fitness center to constructing a new building for this purpose.

- Saeger Street Extension - This project is actually a City of Brenham project, but the alignment and construction schedule have an immediate impact on the College as we develop the balance of our property adjacent to the College Park Apartments and Agricultural Complex. The City has no immediate plans to start design and construction on these improvements, but a sincere indication from the College of our desire to develop this property for student housing could trigger an accelerated schedule.

- Holleman Hall – Interior upgrades are being considered for Holleman Hall for construction in the fall of 2013

- Student Housing – The Administration has hired House Architects, LLP to provide a student housing plan for the development of phased apartment style housing on the 7.43 acres of land recently purchased at the intersection of Old Mill Creek Rd. and Saeger St. Additionally, the Administration is negotiating an agreement with LAN, Inc. to provide a Facilities Assessment of the existing student housing. The result of this study will provide a recommendation and cost comparison on the proposed renovation vs. demolition of the existing buildings, and a timeline to accomplish the project.

- Design (Bryan Campus):
  - The Administration Building Roof/Gutter Replacement - This project is in the design phase. The budget for these improvements is $250,000.00 and the funds have been budgeted in the 2012 - 2013 fiscal year.
  - The landscape project for the parking lot improvements is in design and will be awarded at the June board meeting.
  - Minor drainage improvements are being designed and bid for the Administration Building

- Design (Brenham Campus):
  - The Lighting Project for replacement lamps in the Student Center, O’Donnell Center, “Original” Band Hall, Moody Library, and Old Main is in design and will bid on June 13th
  - The Central Plant Improvement Project is in design and will bid on June 13th.
  - Minor Roof and Lighting Improvements are being designed and bid at the Star of Republic Museum
  - Minor exterior renovations are being designed and bid at the SBDC building
  - The Fire Alarm System for Old Main and the Student Center are in design and will bid on June 18th

- Construction (Bryan Campus)
  - The Generator Project has been completed
  - Parking Lot Project – Dudley Construction has started the construction of the parking lot. The schedule for completion is July 31st 2013

- Construction (Brenham Campus)
  - The Generator Project is complete
  - The Student Housing Door Alarm Project is complete
  - The painting, flooring, parking lot improvements at Memorial Hall are under construction to be completed by July 2013
  - The Student Center Kitchen floor and wall replacement project is under construction. Madison Construction is the general contractor

- SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS COMMISSION ON COLLEGES - REAFFIRMATION UPDATE
Dr. Nolte reported to the Board that Dr. Joseph H. Silver, Managing Partner, Silver & Associates, facilitated an onsite meeting on May 14, 2013, where he worked with Division Chairs and Assistant Division Chairs to refine program outcome statements, document how we have used data for program improvement, and share a template for the Monitoring Report (a copy of the Board update on Blinn’s Reaffirmation of Accreditation is attached and made a part of these Minutes).

• **ENROLLMENT AND HOUSING**

Dr. Crowson reviewed housing student GPA’s which have continued to increase. He also reviewed Occupancy Reports for the Minimester which is down slightly (a copy of the May Minimester Occupancy Report is attached and made a part of these Minutes). He gave a preview of Fall Housing Occupancy numbers.

He also reviewed Minimester and enrollment numbers for Summer and Fall (a copy of the Registration Statistics for Summer and Fall is attached and made a part of these Minutes).

• **GRANTS**

Ms. Deborah Noe announced a few grants that have been recently awarded. The first was a T-STEM Grant which will allow Blinn to award $450,000 in Scholarships. These funds will be a great recruiting tool. An Adult Basic Education Grant for Workforce Training will provide $325,000 for training. Ms. Noe also reviewed grant opportunities on the horizon.

**ITEM 24. BRAZOS COUNTY CAMPUSES UPDATE**

Dr. Ted Raspiller reviewed upcoming events for the Bryan Campus (a copy of the Student Leadership and Activities for Spring 2013, is attached and made a part of these Minutes). He presented the Board with a book from the photography program which was enhanced by a piece of equipment purchased by the Blinn College Foundation. He shared a thank you note from the class president of the Bryan Collegiate High School.
