ITEM 2. DISTRICT PRESIDENT ADMINISTRATIVE ANNOUNCEMENTS

Dr. Nolte reviewed upcoming events and other administrative announcements (copies of the power point
presentation, announcements and upcoming events are attached and made a part of these Minutes).
He discussed enrollment figures for the winter minimester and spring.

DISTRICT UPDATES
• As of December 8, our spring 2015 enrollment was up 0.8 percent compared to this time last year,
  with a 0.9 percent increase in contact hours. Distance Learning’s contact hours are up 6.9 percent,
  while Sealy’s were up 3.9 percent and Bryan was up 3.0 percent. Schulenburg saw a 1.9 percent
  contact hour increase, while Brenham is down 5.9 percent.
• Faculty Convocation will be held January 13. The event will begin with the entire faculty at the Brazos Center, followed by workshops and departmental meetings on the Bryan campus.
• Staff Convocation is scheduled for February 27, also at the Brazos Center.
• Dr. Joyce Langenegger and Dr. Sylvia McMullen have taken the lead on a new initiative called the FutureWorks Academy that help develop a shared vision for Blinn’s future and a district-wide culture of trust, creativity and strategic thinking. The first cohort will include 20 full-time individuals from across the district. Through an initiation retreat and monthly facilitated sessions, participants will gain the self and institutional knowledge to create and implement capstone projects that align with Blinn’s mission statement. The initial retreat is scheduled for February 5-6, and monthly sessions will follow until graduation in November 2015. We are currently accepting applications.
• Human Resources is coming out with a new guidebook to help department and division leadership introduce new employees to Blinn College’s culture and processes. HR has put a lot of work into this, and we believe it will help our new employees to immediately feel at home at Blinn.
• On December 17 we will host our Holiday Reception on the Brenham campus, with the Bryan campus reception to follow on December 18.
• Former History Professor Dr. Phil Pearson recently passed away. Phil and his wife Barbara have been very important to our Bryan campus and the Bryan-College Station community, and we want them to know that Blinn College will offer whatever support it can for the Pearson family during this difficult time.

TEAM PROGRAM WINS STAR AWARD
• Congratulations to Dr. John Beaver, Dr. Sylvia McMullen and the entire team that has contributed to the success of the TEAM Program. The Program was awarded the Texas Higher Education Coordinating Board’s Star Award as one of the top educational initiatives in the state for its contributions toward meeting the goals of the Texas Higher Education Plan, Closing the Gaps by 2015.

An initiative to encourage students to commit to complete an Associate Degree. She reviewed administrative announcements and campus events (a copy of the announcements are attached and made a part of these Minutes):

• Construction is underway on the Tejas Center.
• As of December 1, 97 students have signed up to participate in the Fall Graduation December 19, putting us right in line with our goal of 100. The ceremony will also recognize 106 reverse transfer graduates.
• Each Monday morning we host a communication meeting that allows each of us to provide updates to all the other areas of the campus. In discussions about where we would like to see Blinn be five years from now, Ms. Andi Liner discussed taking this back to each of our departments, then bringing all the suggestions together to compare how each area views our future. I’ve asked these departments to bring this back by the end of January for us to discuss and utilize in making both short and long-term decisions.

• We met with Texas A&M last week to iron out details regarding the Engineering Academy coming to the Brenham campus, with 100 Engineering Academy students living and studying together as a cohort on the Brenham campus beginning in Fall 2015.

PTK CHALLENGES STUDENTS TO COMPLETE COLLEGE
• Members of the Phi Theta Kappa honor society hosted their annual C4 college completion project last month, through which they challenge all Blinn students to complete their degree or certificate at Blinn College. More than 400 students stopped by and signed a banner pledging to complete their community college experience.

PUBLIC SPEAKING CONTEST DRAWS 200 SPECTATORS
• Last month, we told the board about the “Speak Up, Speak Out” public speaking contest hosted by the Communication Studies Program. Students from six different course sections represented their class in front of more than 200 spectators, who were on hand to cast votes for the winner via text message.

• Carlos Candia placed first, Garrett Pessink placed second and Gregory Wyrick was third.

• This was the second year of the contest, which is coordinated by speech instructors Britney Hibbeler and Rachel Jumper.
