

Blinn College
HITT 1361/2460 Clinical
Checklist of Clinical Requirements

All clinical requirements are at the student's expense.

This is a checklist for you to use as you prepare your clinical requirements documentation.
Keep all documentation until requested from the program director, unless specified otherwise below.

IMMUNIZATIONS:

Varicella (chicken pox) – Documentation of either:

- Serologic test positive for varicella antibody/immunity (positive history of chickenpox)

or if necessary, without serologic evidence of immunity or prior vaccine:

- Two doses of varicella vaccine at least 4 weeks apart

Hepatitis B Immunity Documentations:

All students must have had the Hep B series of vaccinations (3 doses over a 6-month period).

- A completed series of Hepatitis-B vaccine

or

- Informed refusal of the vaccine

or

- Has begun the 3 dose series

Titer Test upon Completing Series: The CDC recommends (and we require) serologic testing (titer).
Specifically, we require a **quantitative** hepatitis B surface antibody (anti-HBs) to document immunity.

If titer test comes back with a protective concentration of less than 10mIU/mL, student **needs to be revaccinated (Repeat Series)** with 3 doses (over 4-6 months).

Titer Test following completed Repeat Series: Another serologic test for immunity 1-2 months after the third dose.

Measles (Rubeola) Documentation: Those born on or after January 1, 1957:

- Serologic test positive for measles antibody/immunity.

or if necessary, without serologic evidence of immunity or prior vaccine:

- Two doses of MMR vaccine at least 4 weeks apart*

**Combined MMR Vaccine is vaccine of choice if recipients are likely to be susceptible.*

Mumps Documentation: Those born on or after January 1, 1957:

- Serologic test positive for mumps antibody/immunity.

or if necessary, without serologic evidence of immunity or prior vaccine:

- Two doses of MMR vaccine at least 4 weeks apart*

**Combined MMR Vaccine is vaccine of choice if recipients are likely to be susceptible.*

Rubella Documentation: Those born on or after January 1, 1957:

- Serologic test positive for rubella antibody/immunity.

or if necessary, without serologic evidence of immunity or prior vaccine:

- Two doses of MMR vaccine at least 4 weeks apart*

**Combined MMR Vaccine is vaccine of choice if recipients are likely to be susceptible.*

Tetanus, Diphtheria, Pertussis (TDAP) Documentation:

- One TDaP Booster within 10 years.

Meningococcal (Meningitis) Vaccine (MCV4) Documentation: Mandatory for all new students <22 years of age

Note: It must be administered at least 10 days prior to the start of the semester.

Documentation of either:

- Initial dose (2-18 yrs. of age) and Booster (5 yrs. or more later)

or

- Initial dose (11-16 yrs. of age) and Booster (16-18 yrs. of age)

Tuberculin Skin Test* (PPD - TB test) or QuantFERON Gold TB Blood Test or Chest X-ray (required IF skin test is positive) Documentation:

- *Must have been tested within past 6 months.***

A negative TB skin test within the past 6 months or, in the event of a positive TB skin test, a chest x-ray within the past three (3) years; OR provide evidence of no TB disease per negative result of interferon-gamma release assay blood test (T-Spot or Quantiferon Gold) within twelve (12) months

Influenza:

All students should receive annual vaccination against influenza.

- One dose of influenza vaccine annually, live inactivated injectable influenza vaccine IM or intradermal or live attenuated influenza vaccine (LAIV) intranasally (ONLY for non-pregnant healthy HCP aged 49 or younger).

OTHER REQUIREMENTS:

Background Check: Order your [Background check through CastleBranch](#) and complete within 60 days prior to the start of your clinical hours. (Results will remain in CastleBranch)

Drug Screen: Order your [Drug Screen through CastleBranch](#) and complete within 60 days prior to the start of your clinical hours. (Results will remain in CastleBranch)

Physical Exam: Must be current, within 1 year prior to the start of your clinical hours. [2018-2019 HITT Health Data Form.pdf](#)

Additional Information:

- All clinical requirements are at the student's expense.
- All requirements must be completed by the first day of your clinical.
- Keep all immunizations records and health data form until requested by the program director.
- The results from the background check and drug screen will remain in CastleBranch.
- More information and some services are offered at the [Blinn Health Clinic](#).
- Contact the program director with any questions or concerns.
