

Enrollment into Mathematics Classes

Revised: 03/02/2018

To enroll in a mathematics course, you must meet the prerequisite requirements summarized in the chart below. For a particular course, any of the listed prerequisites in that row suffice for enrollment. For a course to be used as prerequisite, you must have earned a grade of C or better. For TSIA, TAKS, ACT and SAT exams, the scores listed are the minimum required for the test to be used as prerequisite.
