

**ARTICULATION AGREEMENT
BETWEEN
ASHFORD UNIVERSITY
AND
BLINN COLLEGE**

INTRODUCTION

This ARTICULATION AGREEMENT formally recognizes that Ashford University and **Blinn College** are active educational collaborators, committed to providing greater educational opportunities and services for students transferring between institutions. This commitment strongly supports the concept of seamless transfer that embraces the principle that transfer students should not be required to repeat competencies already achieved.

Ashford University and **Blinn College** enter into this ARTICULATION AGREEMENT in the spirit of cooperation and to mutually recognize each other as quality institutions of higher learning. Each institution is dedicated to serving students from diverse populations.

PURPOSE

The purpose of this ARTICULATION AGREEMENT is to enable **Blinn College** students who transfer to Ashford University to carry with them the credit they have already earned for as much relevant study as possible. This ARTICULATION AGREEMENT provides a structure through which transfer articulation on all levels can be supported. The transfer guidelines outlined in this ARTICULATION AGREEMENT are applicable to students transferring to Ashford University from **Blinn College** only.

TRANSFER ELEMENTS

Blinn College Associate's Degrees

This ARTICULATION AGREEMENT establishes that students who transfer from **Blinn College** to Ashford University and have earned an associate's degree with a 2.0 cumulative GPA or higher are accepted as fulfilling all General Education and competency requirements of an Ashford University Bachelor's program when one of the two conditions below is satisfied:

1) The student meets the General Education requirements for Bachelor of Art degrees offered through state universities in the **State of Texas**;

OR

2) The transfer credits have been evaluated and deemed acceptable by Ashford University Registrar's Office.

For either condition, the associate's degree will be transferred as a block covering General Education requirements as appropriate to each degree program. This does not constitute a waiver of any course required to earn a particular major.

Completed blocks are treated as whole; the components are not examined separately to determine transferability towards General Education requirements. **Blinn College** students will not have to repeat General Education requirements at Ashford University except where major coursework applies as determined by Ashford University.

All other credits are accepted and applied toward the designated/appropriate Ashford University degree to satisfy elective

and major requirements as appropriate and applicable and in accordance with Ashford University current transfer credit policies.

Blinn College students with a minimum cumulative GPA of 2.0 entering Ashford University under the terms of this ARTICULATION AGREEMENT will be admitted into Ashford University provided they meet all admissions requirements for the applicable program as determined by Ashford University.

Blinn College students transferring to Ashford University without an associate's degree will have all college-level/non-remedial courses completed at **Blinn College** with a grade of "C-" or better, and which do not duplicate other credits earned by student, accepted for transfer as either an elective, General Education requirement, or an exemption or replacement for a required course as deemed appropriate in accordance with Ashford University current transfer credit policies.

Blinn College students shall proceed through Ashford University admissions process and shall meet all requirements and deadlines applicable at the time of application. **Blinn College** students shall comply with all current policies and procedures of Ashford University.

Blinn College General Education Curriculum

Completion of the **Blinn College** state-approved General Education Curriculum will transfer as a block and will satisfy lower-division General Education requirements at Ashford University. The General Education Curriculum can be transferred and accepted as a component of an associate's degree or as a stand-alone General Education block not affiliated with an associate's degree. In the event a state-approved block of General Education Curriculum does not exist, the **Blinn College** General Education Curriculum will be evaluated and accepted by Ashford University on a course-by-course basis.

Associate in Applied Science (AAS) Degree

The Associate in Applied Science (AAS) Degree represents the attainment of in-depth technical competency within an identified occupational area. However, **Blinn College** students may need to obtain competencies in the area of General Education. Ashford University will provide AAS transfer students with a flexible degree plan that will meet Ashford University's Baccalaureate Degree requirements.

Award of Upper-Division Credit

Blinn College students who transfer lower-division credits beyond that required for an associate's degree, or whose lower-division credits are equivalent to designated upper-division course content, may have these courses evaluated by Ashford University and, where appropriate, they will be applied toward the course in the major. Lower-division credits transferred to satisfy upper-division courses do not constitute completion of the 30 upper-division credits required for graduation. Therefore, even if upper-division courses are awarded, **Blinn College** students will still need to obtain a minimum of 30 upper-division credits at Ashford University to meet graduation requirements.

Reverse Transfer

Ashford University will comply with Texas House Bill 3025 and participate in the reverse transfer process with **Blinn College**. Students who transferred from **Blinn College** prior to completing an associate degree will be offered the opportunity to earn said degree via the reverse transfer process. Eligible students will automatically be notified of this agreement, when they have met the following criteria:

- Have earned at least 32 semester college credit hours from Blinn College.
- Have earned at a total of 90 semester college credit hours.
- Transferred to Ashford University with Blinn College as the last school attended.
- Be in “good standing” at both Blinn College and Ashford University.

Ashford University Registrar’s Office will inform students of the requirements and obtain permission for their academic records to be sent back to Blinn College for the specific purpose of conducting a degree audit. Blinn College will notify students when the associate degree requirements have been met, or what courses are needed, if any.

Maximum Number of Transferable Credits

The maximum number of transfer credits that can be accepted and applied toward degree completion is 90 credit hours.

TERM

The term of this ARTICULATION AGREEMENT exists indefinitely from the date of the last signature to this Agreement unless it is discontinued by either educational partner by submitting written notification to the other partner one year prior to the identified cancellation date in order to protect all students transferring between these institutions, such that students who transfer pursuant to this ARTICULATION AGREEMENT are not adversely affected by cancellation of this ARTICULATION AGREEMENT.

MISCELLANEOUS

Nothing contained herein shall imply any partnership, joint venture or agency relationship between the parties and neither party shall have the power to obligate or bind the other in any manner except to the extent herein provided.

This ARTICULATION AGREEMENT may be amended only by a written agreement signed by both parties. Notwithstanding the previous statement, Ashford University reserves the right to amend its programs, policies, procedures, and criteria relating to transfer credit in its sole discretion at any time. Such changes will be reflected in the Ashford University Catalog.
