Significant changes in policy since last appropriation request

Since the last appropriation request, the Blinn College Board of Trustees has raised tuition and fees charged to students by:

- 6.25% out-of-district student tuition
- 2.86% non-resident international student tuition
- 7.14% general fee increase for all students

The increases in tuition and fees was done to counter the effects of the reduction in State funding and to maintain the quality of education for the students that the College serves. While College services and programs were not reduced, the ability of the College to continue its mission and goals would be negatively impacted by reductions in State funding.

Significant changes in provision of services

Student enrollment has increased 19% since the last appropriation request.

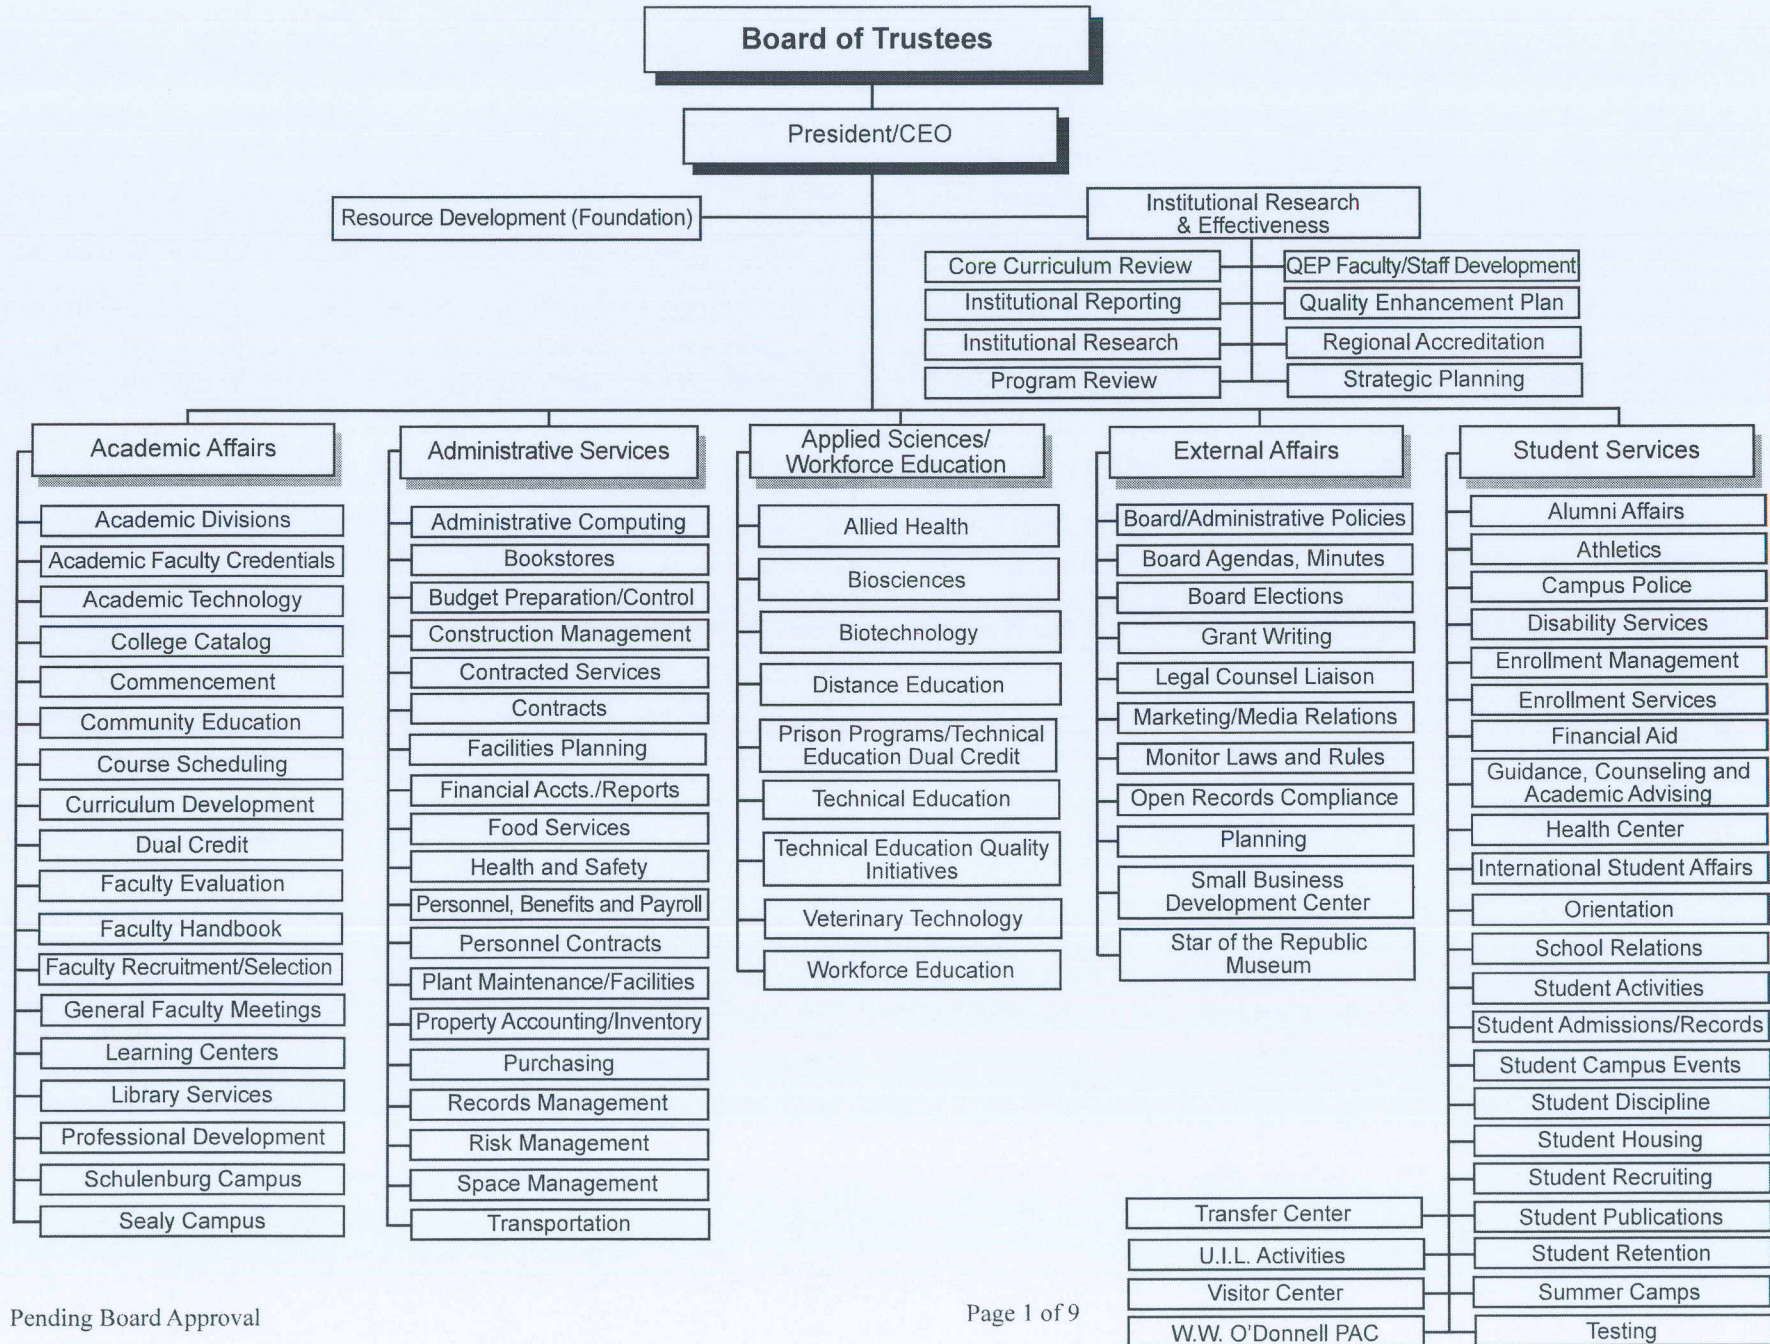

Significant externalities:

There have been no significant externalities since the last appropriation request

Additional formula funds request 2012-2013:
