

The BSW Blinn College Health Clinics are now open to serve each student with their non-COVID-19 urgent care needs who have been cleared for Campus Access

Since you have reported COVID-19 symptoms using the Clear Campus app and have concerns, you need to be evaluated using one of our two virtual visit options before coming to any Blinn Health Clinic location.

**There will be no charge to you the student for services provided at the Student Health Clinics**

Students utilizing the **Blinn College-Bryan Campus and RELLIS Campus clinics:**

- Call **979-691-2409** or **979-209-7269** to schedule a telemedicine appointment.
- You will be scheduled to speak with a Medical Provider by phone or video visit.
- COVID-19 tests can be provided only after your telemedicine visit, if appropriate.

Students utilizing the **Blinn College-Brenham Campus Clinic:**

- may go to the Student Health Clinic to be seen without an appointment.
  - We will be regulating access and limiting the number of people inside the clinic, and we will take care of you as quickly as possible.
  - If appropriate, you will be tested for COVID-19 at the clinic.

Students desiring an alternative method which will require additional payment and for which transportation to an off-campus location might be necessary:

- Call 979-337-5800 to be seen at one of the Brenham-based BSW Clinics (likely a video visit),  
**OR**
- Text BETTER to 88408 to set up an eVisit.
